Sella, Neither Gary nor myself know. Our LV staff Lena and Pete should be checking in this morning and we should find out. I will let you know

Kevin

Sella Travel request for your review and approval (note cost will be collected in SER64001 once opened)

DATE: August 9, 2015

TO: Sella Burchette, Project Officer

Contract No. EP-W-09-031

FROM: Gary Brown

SERAS West Group Leader

THRU: Kevin Taylor

SERAS Program Manager

SUBJECT: Approval of Travel from Las Vegas, NV to Durango, CO Environmental Response WA001.

Please approve the request for 2 Las Vegas Environmental Scientists to travel to Durango, CO to

provide Environmental Response support for a mine tailings pond spill at Cement Creek Colorado. The scientists will collect surface water and well water samples for laboratory analysis. They will also collect sediment samples for analysis and assist the Region 8 OSC as required.

Thank You for your cooperation.

The following individuals will travel from Las Vegas, NV to Durango, CO to complete tasks under Cement Creek (Gold King Mine) ER WA001:

Name	Start Date	End Date	Total days
Lena Wright	8/8/2015	8/21/2015	14
Kent Roesner	8/8/2015	8/21/2015	14

The estimated cost:

Car Rental	\$2200
Lodging (\$259 x 2 x 12 days)	\$6734

M&IE (\$61 x 2 x 12 days)	\$1464
M&IE (\$61 x 2 x 2 day x 0.75)	\$ 183

Fuel	\$ 300
------	--------

Total

\$10881
